PROFESSIONAL SUMMARY

Full Stack Developer (PHP) with strong expertise in designing and developing scalable web applications. I am skilled in both web design (**UI/UX Principles, responsive layouts**) and web development **Front-end (HTML, CSS, JavaScript, Bootstrap)** and **Backend (PHP, Laravel, RESTful APIs, MySQL) development**, with hands-on experience applying MVC architecture. I am proficient in **object-oriented programming (OOP) and problem-solving**, with the ability to identify root causes and deliver efficient, reliable solutions. Passionate about building robust systems that improve performance and user experience. Experienced in working with **Database Management Systems (DBMS)**, particularly **MySQL and SQL Server**, including database design, queries, and optimization. Adept at analyzing problems, identifying root causes, and implementing efficient solutions to ensure long-term reliability.

TECHNICAL SKILLS

- **Programming Languages:** PHP, C#, Java, Python, C++
- **Web Development:** HTML, CSS, JavaScript, Bootstrap, Laravel, RESTful APIs, MVC Architecture
- **Web Design:** Responsive Web Design, UI/UX Principles, Wireframing, Prototyping
- **Back end languages and technologies:** PHP, Laravel, RESTful APIs, MVC Architecture
- **Front end languages and technologies:** HTML, CSS, JavaScript, Bootstrap
- **Databases:** MySQL and SQL Server (design, queries, optimization)
- **Other Tools:** Microsoft Office, Git/GitHub, Digital Marketing
- **Concepts:** OOP (Object-Oriented Programming), DBMS, Web Application Architecture
- **Project management skills**

SOFT SKILLS

- Problem solving skills
- Attention to Detail
- Teamwork & Collaboration
- Excellent verbal communication skills
- Time Management Skills
- Organizational skills
- Adaptability and Continuous Learning

EXPERIENCE

Full Stack Development Intern (90 Hours Technical + 30 Hours Soft Skills) – NTI (National Telecommunication Institute), Remote
Aug 2025 – Sep 2025

- Completed intensive training in **Full Stack Development using PHP**.
- Gained hands-on experience with **HTML, CSS, JavaScript, Bootstrap, PHP, MySQL, and Laravel**.

- Developed two projects:
 - **Dashboard v1:** Built using **native PHP** and MySQL for backend operations.
 - **Dashboard v2:** Rebuilt using the **Laravel framework**, applying MVC and web architecture best practices.
- Strengthened skills in **database design, authentication, authorization, and CRUD operations**.
- Collaborated in a team training environment, improving **problem-solving and project workflow**.

Soft Skills & Freelancing Training (30 Hours – NTI Program Extension):

- Learned **how to start and manage a freelancing career**.
- Created and optimized professional accounts on **Upwork, Freelancer, Mostaql, and Freelancer Yard**.
- Gained skills in **proposal writing, client communication, and online professionalism**.
- Improved **time management, self-discipline, and independent working skills** for freelancing success.

LANGUAGES

- Arabic – Native
- English – B1
- Italian – B2

EDUCATION

Bachelor of Information Systems (BIS) – Thebes Higher Institute for Computer and Administrative Sciences (Ongoing, 4th Year)

- Current GPA: **3.45**
- Relevant Coursework: Computer Science fundamentals, Artificial Intelligence (AI) Level 1, Java Language Level 1, Digital Marketing

Graduate Certificate in Full Stack Development using PHP – NTI (National Telecommunication Institute), Egypt

Technical Diploma in Mechanics and Energy – Salesian Don Bosco Institute, Cairo (2021)

- Relevant Coursework: Engineering Design, SolidWorks, AutoCAD
